

**PETITION FOR INSTALLING A  
MODERN STREET LIGHTING SYSTEM**

A first time lighting system may be petitioned through the 1913 Improvement Act,  
where street lighting does not exist on residential roadways.

CITY OF LOS ANGELES  
DEPARTMENT OF PUBLIC WORKS  
BUREAU OF STREET LIGHTING

The undersigned owners of property fronting on \_\_\_\_\_  
between \_\_\_\_\_  
and \_\_\_\_\_, including intersections,

hereby petition the Los Angeles City Council to authorize the following improvement:

Installation of a **MODERN** street lighting system which meets current street lighting standards of the City of Los Angeles.

- Estimated **one-time installation** assessment is about **\$5,000** for each 50 feet of frontage.
- Estimated **annual maintenance** and operating assessment is about **\$90** per residential property calculated in accordance to lot area acreage.

\_\_\_\_\_ LIGHTING DISTRICT  
*(PROPOSED PROJECT TITLE)*

**NOTICE TO PETITIONERS**

Return this petition to the issuing office shown below with valid signatures from property owners representing at least **70%** of this project's total footage, indicating an interest in the project. Once the signatures on the returned petition are validated, questionnaires will be sent to all affected property owners to confirm that there is strong support for the project. If the petition and questionnaire process indicate strong support, the City Council will then be requested to authorize the design of the project.

After a preliminary design, and prior to construction of the project, each individual property owner will be sent a notice of hearings and a ballot which will indicate the maximum assessment related to their property for installation and annual operation & maintenance of the street lighting improvement. Proposition 218 requires that property owners approve any proposed assessment through a balloting procedure.

Further information regarding this process can be obtained by calling the Bureau of Street Lighting at (213) 847-1400.
