SERIES TO MULTIPLE
HIGH VOLTAGE CONVERSION FY 2020-21**

**STREET LIGHTING PROJECT
W.O. L2049456, PLAN NO. M-2456**

ESTIMATED COST: \$1,206,500.00

PRE-BID MEETING*: THURSDAY, APRIL 1, 2021 @10 A.M.

PHONE NO. (315) 791-2544, PIN: 899 365 942#

(Please plan to connect to the phone meeting a few minutes early in order to sign in.

Late arrivals may not get credit for the meeting.)

** Sign Language Interpreters, Communication Access Real-Time Transcription, Assistive Listening Devices, or other auxiliary aids and/or services may be provided for meetings upon request. To ensure availability, you are advised to make your request at least three (3) business days prior to the meeting you wish to attend. Due to difficulties in securing Sign Language Interpreters, five (5) or more business days' notice is strongly recommended. For additional information, please contact Janet Kwan at janet.kwan@lacity.org, 213-847-1579.*

As a covered entity under Title II of the Americans with Disabilities Act, the City of Los Angeles does not discriminate on the basis of disability and, upon request, will provide reasonable accommodation to ensure equal access to its programs, services and activities.

RECEIVE BIDS DATE: 4/28/21 (Before 10:00 A.M.)

PROJECT LOCATION: Council District 4, 14

BRIEF DESCRIPTION:

This project will finish work left uncompleted by the default of the Westside Unit 3 STM project. New LED luminaires, wiring inside the poles, fuses and remote monitoring units have already been installed when the unfinished lighting systems were temporarily converted from high voltage to low voltage by using the existing wiring. The existing wiring is deteriorated, and have fused with the existing conduit, making them unreliable. Therefore, this project will install new conduit, pullboxes and new system wiring to serve the 170 street lights temporarily converted to low voltage by the default project, and 5 additional LED retrofit kits. A portion of the conduit installation will be on hilly streets where there is no sidewalk. Work will be in the areas of Eagle Rock and Hollywood Hills, in proximity to 1) streets south of Yosemite Dr and Townsend Ave, and 2) Beachwood Dr between Belden Dr and Franklin Ave, and streets east and west of Beachwood Dr and Scenic Ave.

Financing for this project is a loan from the Municipal Improvement Corporation of Los Angeles (MICLA).

This project will not result in an increase to existing Street Lighting Maintenance Assessments. A Proposition 218 ballot proceeding is not required.

THE CONTRACTOR'S LICENSE CLASSIFICATION REQUIRED FOR AWARD IS **"C-10" or "A"**.

Plans, specifications, and addenda are available **ONLY** from www.LABAVN.org. Registration on the website is required. Bidders must have previously downloaded plans or specifications for the project from the website in order to be notified of any Addenda. **PLANS AND SPECIFICATIONS will be available from the website on WEDNESDAY, MARCH 17, 2021 after 2:00pm.** Bidders are encouraged to download documents as soon as possible as the website has, in the past, been temporarily inaccessible due to unforeseen technical difficulties. The City will not be responsible for delays in preparing and submitting bids (including compliance with BIP requirements, should they be applicable) due to temporary LABAVN website inaccessibility. For technical difficulties while utilizing the BAVN website, please Email the ITA Division at ITA.BAVN@lacity.org.
