

# Non-Cobrahead LED Fixtures

City of Los Angeles  
Department of Public Works  
Bureau of Street Lighting

**Bold is the latest approved from each manufacturer**

These products have been tested and approved by the Energy Efficiency Division. This chart will be updated as new technology becomes available. It is recommended that designers use the lowest wattage that meets lighting criteria. Italicized numbers are aesthetic options and are optional. Locked .ies files should be used for final design purposes.

**\*LARGER AND SMALLER SIZES AVAILABLE, DESIGNER SHOULD DETERMINE WHAT SIZE/COLOR IS APPROPRIATE FOR PARTICULAR DESIGN**

**\*\* SEE IES FOLDER FOR APPROVED DRAWING DOUBLE UNDERLINES INDICATE AS BUY AMERICA COMPLIANCE**
